## hair & makeup

Christina Patch (call her Tina) is a professional makeup artist who splits her time between Dallas (books as local) and L.A. When she is on hiatus from her television and print projects in Los Angeles, you can find her enjoying the sanity of working in Dallas. She is a great addition to any shoot with her bag of makeup 'tricks' and her do attitude. She has a wide variety of experience with broadcast, film, and print.

She loves meeting people and says "I treat everyone who sits in my chair as a celebrity". Her humor and easy manner puts all her clients instantly at ease. Her greatest beauty tip came from Phyllis Diller, who told her, "All a girl needs is a bikini and a....." well, you will have to ask Tina to tell you the rest when you see her.

Her recent projects and clients include, The Dr. Phil Show, 'Got Milk' - with Annie Leibovitz, Texas Monthly, Larry King, 'The Doctors' TV show, Match.com, The Tonight Show, Vanity Fair, Sports Illustrated, The View, CNBC, Verizon Wireless, Radio Shack.
